The Secretary to Government,
Education and Public Health Department.

Sub: Government College, Mangalore - Additional post of Clerk - continuance - requested.

In their order No.Ms.1458 Edn., dated 13-10-42, the Government sanctioned the additional post of a clerk in the Government College, Mangalore on a temporary basis for a period of two years from 1-6-43. The sanction for the post expires on 31-5-45.

The Principal of the college reports that the additional post of the clerk in the college is absolutely necessary in as much as a single clerk will not be able to cope with the heavy work. It is further reported that the strength of the college had increased from 176 in 1943-44 to 230 in the current academic year, and the Principal is confident of further increase in the strength of the college in the next academic year. The maintenance of the various registers relating to the Intermediate classes requires the whole time of the additional clerk while the Head Clerk will be attending to the office work in addition to undertaking the financial responsibilities.

In the circumstances I recommend that the sanction for the additionalpost of clerk, which expires on 31-5-45 may be renewed for a further period of two years from 1-6-45. Provision for the post has been made in the Budget Estimate for 1945-46.
